30 September 2019

It has been lovely seeing the children returning from the Summer break refreshed and ready to learn. We welcome all our new Crew members in Year R or who have joined us – we hope your time with us will be a happy and successful one.

## Celebrations or Events

### Photographs

The school photographer will be in school on **Thursday, 3 October**. All children will be photographed individually and children with siblings in school will also be photographed during the morning. If you would like photos to be taken with older or younger siblings, **not in school**, please bring these children to the hall as close to **8.20am** as possible. Please could we ask that no green hair accessories are worn on this day. Thank you

### Parent Crew

We have formed a new committee, thank you to all those involved. The next meeting is on Thursday 3 October at 7.30pm. Please attend if you would like to support your child's school. The school has purchased 9 more ipads for use in class. A BIG thankyou to the Parent Crew for funding this.

### Walktober: Walking for wellbeing

The Walktober challenge is about walking to improve your wellbeing. We would encourage you to walk as much as possible during the month – to and from school and work, for example, but try to find other opportunities to walk too.

## Breakfast and After School Club

We have a Breakfast Club 7.30am-8.45am and After School Club 3.15-6pm held at Sarisbury Infant School and Brookfield School. Sprouts can be contacted via their website [www.sprouts-childcare.co.uk](http://www.sprouts-childcare.co.uk) or telephone number 07710 517 445.

## Labelling Clothes and Belongings

Please help us to keep all your child's belongings safe by making sure that everything is named so that we can easily return it. We will do our best to safeguard your child's possessions, but the school and governors cannot be held responsible for any loss or damage to school clothing or a child's own property. Any unnamed items of property will be kept for two weeks then put into the recycling bin if not claimed during this time. Thank you for supporting the school uniform, the children look really smart.

## Celebrating birthdays

The school celebrates birthdays in our Celebration Assembly each week. So please do **not** send in sweets or cakes into school.

## Parking Restrictions

Be aware there are parking restrictions in Sherwood Gardens that match our dropping off and picking up times. Also, please remember not to block access to the cemetery at the end of Holly Hill car park. Consideration to our neighbouring roads is important to us, so your help will be greatly appreciated. The leisure centre can be used by parents to park for their convenience. Please **do not** use the school driveway at any time as emergency access is required at all times.

## Head lice

Although term has only just started, can we ask you to check your child's hair regularly and treat as necessary. Weekly brushing with a nit comb and conditioner can also keep them at bay. Bug Busting combs and information are available from the school office at a cost of £1.

## Scooters and bikes

Please do not ride bikes and scooters on the school grounds as they can be dangerous to others on the playground. We need to ensure everyone is safe. Thank you for your help with this.
