Easter Extravaganza

Dear Parents and Carers,

Work is going on behind the scenes to bring the children lots of fun activities to help celebrate Easter. These include the colouring competition and Easter Bonnet Parade (more details to follow shortly).

This year we have also decided to raffle off **EASTER HAMPERS**. To help with this, we are holding a **NON-UNIFORM DAY** on **Friday 22nd March 2019**. In return we ask that the children bring in a donation that we can use to help make up the Hampers. The items can be Easter or Spring themed and could include:

- **Box of chocolates/Easter Eggs**
- **Packet/bag of sweets**
- **Bottles of wine/alcohol**
- **Biscuit boxes**
- **Large chocolate bar**
- **Small toys (unused and in excellent condition)**
- **Stationery and craft items**

All donations can be brought in on the day and given to the class teachers at drop off.

The hampers will be made from the donations received. You will then have a chance to enter a raffle to win one. We are making a hamper per classroom, so that's 10 hampers up for grabs!! Pictures of them will be added to our Facebook page and we will leave a few on display in Reception, so you can see what you can win.

This is a great way to support the school. Any money the Parent Crew raise is put back into the school and to very good use. I think you will all agree that the new playground equipment has gone down really well with all the children and will continue to be enjoyed for years to come. Without your support for these events these improvements would simply not happen.

We look forward to receiving your children's donation.

Kind regards,

Sarisbury Infant School Parent Crew
