EASTER FUN DAY

Friday 5th April 2019

The Parent Crew are hosting a day of fun at school for all the children. On the day our colouring competition winners will be announced, the Easter Bonnet Parade will take place and we may even get a visit from a very special bunny!

COLOURING COMPETITION

Over the coming days, each child will be given a picture to colour in. They have until **Friday 29th March** to bring this back to school. The pictures will be judged the following week with the winners receiving a prize at the fun day! There is a girl and boy winner from each class. Please give all completed pictures to your class teachers before the deadline with your child's name and class clearly noted on it.

EASTER BONNET COMPETITION

We will also be picking the best Easter Bonnets on the day and awarding prizes to the winners. Again this will be a girl and boy from each class. Let's see how creative the children can be!

Previous Easter Days have been great fun and enjoyed by all the children and we hope this year is just as fun!!

Thank you for your support
