To Parents,

Re: A Birthday Surprise! Shhh!

Due to the year we are having and the current COVID restrictions, many children are missing out on celebrating their own birthday or attending their friends' birthdays. Year R parents will often find they attend the most parties during this first year at school! As gatherings and parties have been few and far between this year, we would like to help with this at school.

The children have had to adapt and deal with many changes already this year and we would love to give our children the opportunity to have a big birthday celebration in school for all the parties and birthdays missed.

We would like to host a "Sarisbury Birthday Bash" on Wednesday 2nd December. The children can come to school wearing their party clothes and we will arrange an afternoon of party fun, party games and even a big birthday cake!

If you have any spare party decorations, balloons, banners, hats, bunting that you would be happy to donate for us to use, we would be really grateful. Please pass to your child's teacher no later than Friday 27th November to allow sufficient time for quarantine.

We will be telling the children nearer the time to build excitement levels but given it's still some time away, please keep it quiet for the time being!

We very much look forward to celebrating with your children.

Kind regards,

Year R Team
