

Sarisbury Infant School Website Guide

Have you been onto www.sarisburyinfants.co.uk recently?

The website has been updated to reflect the current lockdown situation and home learning requirements. Follow the images below to access free resources and many interactive games to play with your child at home. These activities reflect the curriculum taught at school across all subjects. Additionally, on the website you can find a wealth of information about the school.

On the left hand side there is the website's main menu, where the information is categorised into main headings.

Having clicked on the main menu a sub menu will appear. Click on Curriculum to find lots of information about each subject.

For example, the images below show just some of the information available under the Phonics tab.

At Sarisbury Infant School, early reading and writing is taught using synthetic phonics as the main approach. The phonics programme that we follow is Letters and Sounds. This programme enables us to teach phonics in a fun systematic way.

During a phonics lesson pupils recap previous sounds taught, learn a new sound and how to use their sounds to read and write unknown words through segmenting and blending. In addition to this children are taught high frequency words, words which do not completely follow the rules of phonics.

Teachers will use a variety of techniques to make all phonic lessons quick paced and multi-sensory. Children who require extra support in acquiring their sounds will be given this in addition to their daily phonics lesson.

The Letters and Sounds phonics programme is split into 6 progressive phases throughout Early Years and KS1.

Below is an outline of when the 6 phases are taught.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Early Years	Phase 1 Phase 2	Phase 1 Phase 2 Phase 3	Phase 1 Phase 2 (Recap) Phase 3	Phase 1 Phase 2 (Recap) Phase 3 (Recap)	Phase 1 Phase 2 (Recap) Phase 3 (Recap) Phase 4	Phase 1 Phase 2 (Recap) Phase 3 (Recap) Phase 4 Application of sounds
